How to pay with our available Payment Methods?

- Credit or Debit Card
- FPX (Individual Account)
- FPX (Corporate Account)

Credit or Debit Card Payment

The smartphone screen displays the 'MAKE PAYMENT' interface. At the top, it shows 'StarHub' signal, '10:50 AM', and '18%' battery. Below the title bar, there's a 'Summary Of Transaction' section with 'Net Charges' of 'MYR 1.00'. The main section is 'Credit / Debit Card Details' with a 'Timeout: 04:32' warning. It contains input fields for Name, Credit / Debit Card No., CVC/CVV2, Expiry Date (with dropdown arrows), Issuing Country (set to 'Malaysia'), and Issuing Bank (a 'Please Select' dropdown). Below these is a checkbox for authorization and a link to the 'Privacy Statement'. At the bottom are 'Proceed' and 'Cancel' buttons, and logos for MasterCard SecureCode and VISA.

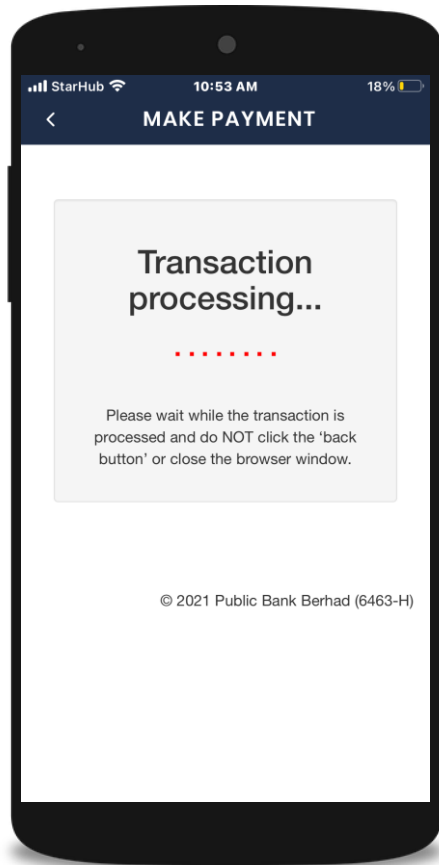

Input Name, Card Number,
CVC/CVV2, Expire Date,
Issuing Country and Bank

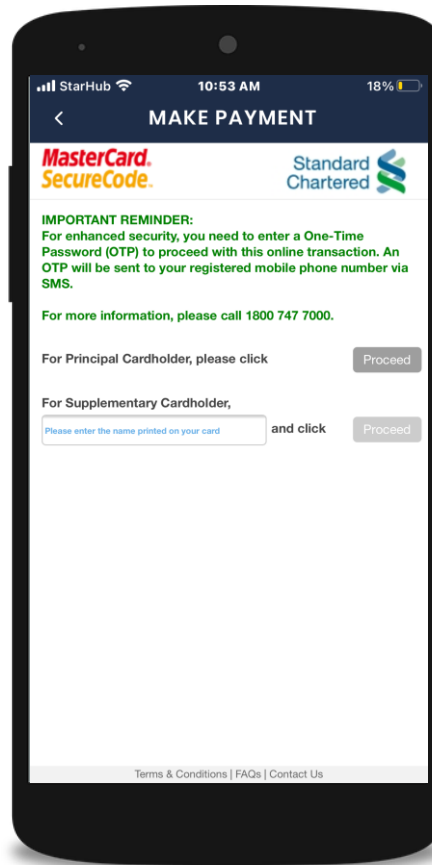

The smartphone screen displays the 'MAKE PAYMENT' interface for review. It shows 'StarHub' signal, '10:52 AM', and '18%' battery. The 'Summary Of Transaction' section shows 'Timeout: 02:30' and transaction details: Pay To (DemoAcc132 - Workerzdirect Sdn Bhd), Payment of (Covid Test), Payment ID (T047854749321), Date of Transaction (2/18/2021 10:52:53 AM), CC No (549834xxxxxx6757), Card Issuing Bank (STANDARD CHARTERED BANK (SINGAPORE), LTD.), and Net Charges (1.00). Below this are 'Confirm' and 'Cancel Payment' buttons. At the bottom are logos for MasterCard SecureCode and VISA.
